

# User Stories

## Bronze

- As a user, I would be able to create my own lists so people can see my tastes.
- As a user, I would be able to read the home page and understand the purpose of the website and its uses.
- As a user, I would like to have simple navigation so that I can use the website efficiently.
- As a user, the website will be mobile friendly so that no matter the screen size, images and lists are displayed beautifully.
- As a user, I would like to be able to see some lists without logging in so that I have an idea of how the site operates and if I like it.
- As a user, I would be able to search for games to add to my lists.

## Sliver

- As a user, I would be able to edit my list so I can correct a mistake or add to a list.
- As a user, I would be able to sign out in case I am using a public/ shared device.
- As a user, I would be able to delete my list so that I have the option to start over.
- As a user, I would like my lists to have images and information for each game.

## Gold

- As a user, I would be able to create an account so I can interact with other users.
- As a user, I can share a list with another user that I have deemed a friend so we will be able to compare tastes.
- As a user, I would be able to keep some lists private so I can avoid judgment.
